THE GRAND KNIGHT'S MESSAGE

Brother Knights,

The end of summer is coming upon us and as we all say "Where did it go, time sure fly's by". I Have been your Grand Knight just over 2 months now and sure have found out it is a responsibility that is true to its nature and I have enjoyed getting deeper into our council and learning more to make me a better person along with being a better Knight of Columbus all the way around.

We recently had one of our Brothers pass along up to the higher level with our Dear God in heaven and that was Bill Redman. Bill also was a 4th degree Knight along with being in the Color Corp and was a dedicated Knight and Bill was 93 years young. Bill will be missed by all but is up in heaven with his wife Janice. The Color Corp attended the Rosary and the funeral and did a great job and stood tall as usual.

I have been saying for 4 to 6 months now that when I become Grand Knight I want to take on the task of getting our Rectory and garage totally painted on the O/S and it finally took place the week of Aug 16th and with the guidance of our GREAT Deputy Grand Knight and (HEAD PAINTER) Bill Montoya and we had some great help from our Brother Knights of Ed Duane, Ken Johnson, Keith Henry, Ken Woodford, Marty Martinez Jr., Beora Hart, Geo Laughner, John Kaiser and James Nicholls. Along with our clean up and final touch's we had Patricia Martinez clean all the windows on the exterior and she did a great job.

We also Sanded and painted all the bench's and tables in the court yard. Before this project was started we had the guidance of Pedro Reyes and some Knights power wash the Rectory along with the whole Church. We have other projects planned so if you can help please sign up because we can't do it with just 4 or 5 Brother Knights. We all had a GREAT time doing this project and even on the power wash day with some (WET) Knights. This shows Unity and how we can work together as Knights of Columbus.

We also can't forget our church Festival coming up with set-up and tear down but **MOSY IMPORTANTLY** is the help Sergio Bricca will need to man the membership drive booth the day of the festival.

In closing I want to say it is a real pleasure and I'm blessed to be involved with all of you in this council and it takes all of us to work together to be one and be the best council in our District Deputies District and that of Mike Jones.

Again lets not forget about wearing our badge's and getting our wives to wear their badge at our functions, we want to make sure you are with the correct wife at all times.
